Who is HPN?

At the Hollywood Prayer Network. We believe Hollywood is the most influential mission field in the world.

We provide tools & info for those who will commit to pray for these people who God cares so much about. We design our calendars to include kids, teens, and adults who create entertainment that influences culture. Check us out on the web at:

www.hollywoodprayernetwork.org

Where do I start?

God wants to hear from *you*. Talking with God can be as simple as talking to a friend. Who knows what a difference your prayer for these people can make? God gives us the special job of praying for others & prayer can make all the difference in someone's life and career! Find today's date and get started. Don't know who they are? Look them up on the internet.

This Month's Focus:

The holiday season is one of the most prolific times for movie releases. Each film gives us opportunities to pray in different ways. There are adventures, fun themes, or dramatic stories. Maybe even something offensive. Pray for the film's creators to experience a redeeming work of God in their lives & that they see the real meaning of Christmas!
